ENTREPRENEUR FOR LIFE

Bobbi Brown

Her simple line of lipsticks blossomed into the billion-dollar company Bobbi Brown Cosmetics. Since then, she’s started a new path with an editorial site (justBOBBI) and boutique hotel (The George). Bobbi also has a new podcast (Long Story Short) and a film and photo studio (18Label), with even more to come. Building multiple new brands has taught her that a second act isn’t so different from the first act, she says: At its heart, everything an entrepreneur does is just about doing.
Entrepreneur Elevator Pitch gives real entrepreneurs the opportunity to pitch their businesses to investors. The catch? They have one minute to do it—the length of their actual elevator ride up to the boardroom to meet their potential funders.

A screen inside the elevator counts down: 59, 58, 57... as the entrepreneur makes her pitch and the elevator begins the trip to the top floor. If the pitch is accepted, the elevator doors open and our entrepreneur reaches the boardroom with the investors waiting to ask questions.

If the pitch fails to get investors' attention, they hear a voice in the elevator that says, “Good try... Going down!”
