Be a Part of the Suspenseful Show With One Critical Minute to Make It

Entrepreneur Elevator Pitch gives real entrepreneurs the opportunity to pitch their businesses to investors. The catch? They have one minute to do it—the length of their actual elevator ride up to the boardroom to meet their potential funders.

A screen inside the elevator counts down: 59, 58, 57... as the entrepreneur makes their pitch and the elevator begins the trip to the top floor. If the pitch is accepted, the elevator doors open and our entrepreneur reaches the boardroom with the investors waiting to ask questions.

If the pitch fails to get investors’ attention, they hear a voice in the elevator that says, “Good try... Going down!”

Learn more and become a part of the popular show helping entrepreneurs acquire the financial capital and media exposure they need to elevate their success.
